

Thank you!

May 2014

Thank you to all the donors and guests of our recent event, *An Evening With LSC*.

Held at the City Club of San Francisco on May 7th, we were ecstatic about the great turnout and extraordinary speakers. The \$270,000 we raised through this annual event will help the thousands of youth who come through our doors each year in need of legal assistance.

There were many inspiring moments that evening.

Pulitzer Prize-winning journalist and author Sonia Nazario shared her experiences with children from Central America and Mexico who risk their lives to flee violence and abuse and seek safety in the United States.

Our youth speaker, Miriam, moved us with her personal story of overcoming numerous barriers to enroll in her top-choice university, and how LSC helped her to remain in school.

James Schurz, recipient of an LSC Pro Bono Leadership Award, inspired us with an eloquent summation of his recent pro bono service working on a challenging school expulsion case. His words still resonate: *It was a privilege to represent John*, and I am deeply grateful for the chance to get to know him and his family, to support a great family during a period of crisis, and, working together with LSC, to correct a gross injustice.*
(*Name changed to protect client confidentiality.)

Congratulations to our 2014 Pro Bono Leadership Award recipients -- Carolyn Collins of *Nixon Peabody LLP*, Vidhya Prabhakaran of *Davis Wright Tremaine LLP*, and James Schurz of *Morrison & Foerster LLP* (pictured with Event Committee Co-chairs Ann Alpers and Susan Tunnell).
